Miami FL, 33172 • juandavidpo93@gmail.com • (786)-362-3053 • [LinkedIn Profile](#)

Results-driven Front-End Developer with a strong foundation in HTML, CSS, and JavaScript. Proven track record of crafting user-centric websites that drive engagement and increase product reach. Experienced in optimizing website performance, enhancing load times, and ensuring a seamless user experience across various devices. Proficient in agile methodologies and familiar with technologies like Java, SQL, Spring Boot, and Angular. Effective communicator and collaborator, adept at translating complex technical concepts into user-friendly solutions. Eager to leverage my expertise in front-end development to contribute to dynamic projects and drive innovation.

EXPERIENCE

FDM GROUP

New York, NY

IT Consultant

Nov 2022-Present

- Candidate Service Portal Optimization (CSPO) Project
 - Boosted data management precision by 30% through a tailored optimization of backend and frontend components of the candidate service portal. This process involved refining data storage, retrieval systems, and interface components, leading to improved accuracy and efficiency.
 - Transformed the user experience by revitalizing the front-end interface using innovative HTML and CSS techniques. This initiative not only enhanced user satisfaction but also fostered productive team collaborations by providing a seamless platform for communication and task management.
 - Amplified operational efficiency by 25% through the integration of a calendar feature for detailed attendance tracking. This feature provided valuable insights into the attendance patterns of administrators and consultants, enabling better scheduling and resource allocation.

JFABULOUS LLC

MIAMI, FL

Front-End Developer

Aug 2022- Present

- Led a significant expansion of the company's digital footprint by crafting and implementing a responsive website, driving a 40% increase in product reach. The design was user-centric, focusing on an intuitive interface and seamless navigation to bolster user engagement and product discovery.
- Elevated website functionality using HTML, CSS, and JavaScript technologies. Ensured a consistent user experience across various devices by optimizing structural integrity, visual appeal, and interactivity.
- Optimized website performance by reducing load times by 30%. Utilized Photoshop to scale images and files for web usage, enhancing user experience and positively impacting search engine ranking.

FASTENAL

MIAMI, FL

Sales Associate

Jul 2019 - Jul 2021

- Improved inventory management and delivery coordination by 35% through tailored resource allocation and streamlined client communication. Enhanced tracking of inventory levels, ensuring prompt deliveries and high client satisfaction.
- Engineered a strategic vending machine program generating over \$15K of monthly income, boosting branch profitability by 20%. Played a pivotal role in financial growth through innovative revenue generation.
- Maintained a 90% client satisfaction rate by proactively resolving issues, fostering open communication, and understanding customer needs. Cultivated strong business relationships, loyalty, and upheld high standards of customer service.

MDCPS

MIAMI, FL

IT Assistant

Jul 2017 – Jun 2018

- Orchestrated the setup and maintenance of computer labs and classrooms, ensuring optimal preparedness for the school year. Collaborated with a dedicated team to create an environment conducive to effective learning and teaching.
- Managed essential software applications (MS Word, PowerPoint, Excel, Audit QuickBooks) to facilitate smooth school operations. Conducted routine updates, troubleshooting, and provided training, enabling staff and students to utilize these tools effectively in their daily tasks.
- Achieved a 95% first-contact resolution rate by delivering reliable and prompt technical support to faculty, staff, and students. Swiftly responded to reported issues, demonstrating a comprehensive understanding of the school's technological systems, and fostering trust and satisfaction within the school community.
